Happy New Year!

New Year Resolutions

Many of us make resolutions for the New Year. If your resolution is to save more money this year – we can help! Our Savings Certificate is tailor-made to help you fulfill your resolution. With only \$500 needed to open, it is a liquid investment that you can deposit to or withdraw from at anytime – all at an interest rate of 1.00%! By adding our automatic savings feature, you can create a savings plan that will work for you. The best part is that your investment will be helping churches grow their minstry through loans for new construction, repairs and renovations, or other special building projects. Contact us for more information.

Rethink Your Investment Options

We want you to think about making a transition in your investments to Seedling Financial. If you have a money market or savings account or when you have CD's maturing at a bank, check out our interest rates. With our liquid Savings Certificates and Term Certificates from one to five years, we may have an investment vehicle to meet your financial goals. While other financial institutions focus on benefiting shareholders, Seedling uses the money you invest to provide loans that strengthen congregational mission and ministries. In other words, your money is working to further our common values and help churches grow their ministries.

Marion UMC

Marion UMC saw a need in their community and responded. In order to update and enhance their facility, Marion UMC, built an addition to their existing church. Their emphasis was on reaching out to young families, children and youth in and near the community of Marion. The addition houses a multi-purpose room to accommodate church-wide gatherings, youth events and community activities; a large commercial kitchen; a larger gathering area and ADA bathrooms on the same floor as the sanctuary. Activities that are held in the addition include martial arts classes, an after-school program, monthly community meals, art classes and community volleyball and basketball.

"It is a small community and our church has great potential to grow in that community with the facilities that we are constructing right now"

-Charles Daughtry; Vice Chair of Trustees and Building Committee
