Happy One-Year Anniversary!

It's almost been one year since we changed our name to Seedling Financial Ministry and what an amazing year it's been!

We have had significant software upgrades that have allowed us to offer online access to our individual investors with access for churches beginning in April 2020.

We've also introduced a new investment, our Savings Certificate.

We have had many new investments, as well as an increasing number of rollovers. With those investments, we were able to help five churches with loans to acquire property, renovate church buildings, purchase parsonages, refinance existing loans and repair church property. We were also able to celebrate with five churches who paid off their loans!

When you invest or repay your loan through Seedling you are doing more than earning interest! You are gaining the satisfaction of knowing that your investment/loan payment is affecting thousands of people through our lending program.

That is something you can believe in!

Otterbein UMC

Otterbein UMC in Mount Wolf is a vibrant church that supports numerous ministries, locally, nationally and globally. Their church provides an early education center as well as an after-school program. In addition, Otterbein Church is the location for the only Senior Center in their local community. The church also operates a separate youth center in which they currently offer weekly outreach days to kids at the local school. Pastor Mark Zortman affirms “It has been the mission of the church to provide various outreach events free to the community including a summer concert in the park featuring the Harrisburg Community Concert Band, a chili cookoff, a GAP youth center open house on Halloween, a float in the Manchester parade and a live nativity and tree memorial. These events allow the community to see the love of Jesus in a non-threatening way outside the walls of the church and to show our neighbors that we are for the community.”

Otterbein had a high interest-rate loan that they wanted to refinance and came to Seedling Financial Ministry for guidance. We were able to offer them a loan that had a significantly lower interest rate thus lowering their monthly payments. With the money they are saving they can increase their support of various missions, such as Sierra Leone, McCurdy, Red Bird Mission, UMCOR, local food banks, JoyEI, Moms in Prayer and Heart to Honduras to name a few.

Otterbein UMC is just one of the many churches that your investment is helping!
