Direct Deposit of Interest Checks

Would you like the convenience of having your investment interest checks directly deposited into your checking or savings account? We can do that!

With our new ACH program, we now have the ability to deposit your interest directly to your bank instead of mailing you a paper check. This saves our ministry money on postage and administrative costs, while giving you the security and convenience of having your money automatically deposited.

To sign up for direct deposit, go to our website: www.seedlingfinancialministry.org and choose Investments, then Forms. Complete the ACH form and send it in or contact us at info@seedlingfinancial.org and we'll be happy to help.

Thank You!

A big thank you to our church borrowers!

2020 was definitely not the year we envisioned. With so much interruption in church services, many church budgets were strained. We are happy to say that all of our church borrowers remained current in their loan payments! What an amazing achievement in a year that was very unpredictable.

Your faithful stewardship has allowed Seedling to continue to grow its ministry. Our investors remain dedicated to your missions and we at Seedling are ready to take on 2021.
