About Us

Seedling Financial Ministry's primary mission is to connect investors to equip churches to grow.

While other financial institutions are profit-driven, we are ministry-driven. Our loans are made possible by investors who want to partner with you to further your ministry.

It is truly a connectional ministry that allows both investors and borrowers to make disciples of Jesus Christ.

This does not constitute an offer to sell nor a solicitation to buy any of our securities. We will offer and sell our securities only in jurisdictions where authorized. The offering is made only by our Offering Circular.

Loans

The Loan Program

Seedling Financial Ministry has helped many churches with their lending needs. With the capability to lend not only smaller amounts, but amounts over \$1 million, we have a loan that is right for your project.

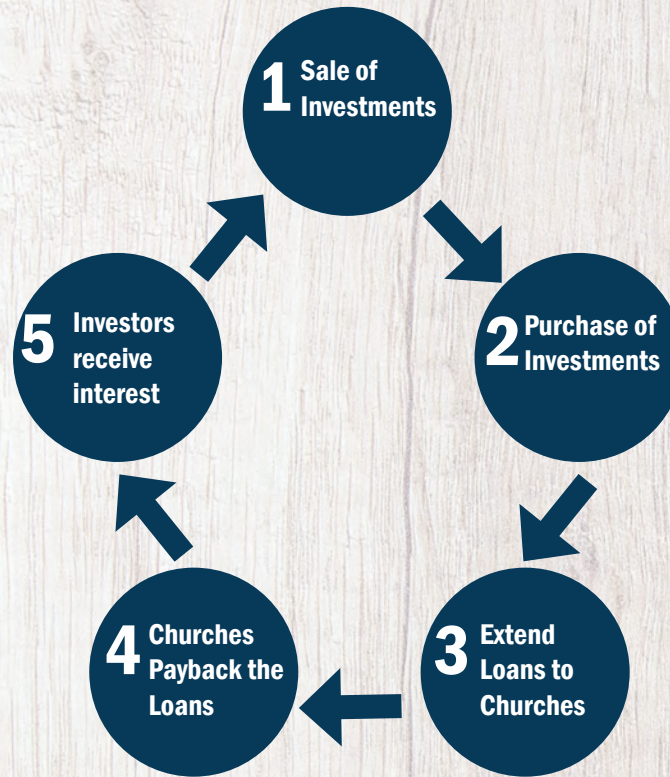

We have helped to finance elevators, building renovations, roof repairs, new parsonages and many other projects.

We can also help your church determine if refinancing your existing loan may help your church save money that can be redirected to support mission and ministry.

Steps for Loan Approval Process

- Contact Seedling Financial Ministry.
- Submit an application.
- Attend an interview.
- The Seedling Board of Directors votes on your application (No funds will be distributed until closing) and, if approved, a Commitment Letter will be signed.
- Closing will be scheduled and occur.
- Funds will be distributed after closing.

Mission

Originally founded in 1919, we faithfully serve United Methodist Churches and its members. More than 400 individuals and organizations currently invest with us and we continue to provide loans to equip our churches to grow in ministry and bring people to Christ.

Seedling has been making loans to churches since 1919. We understand your church and its history. We understand congregation life cycles and we are spiritually invested in your vision and ministry.

Seedling Financial Ministry “helped the ministry of the church in a multitude of ways. It opened up space for ministries that otherwise would not have been possible.”

– Pastor Thomas Harmac (Calvary UMC Lawrenceville)
